28th July, 2021

Rescheduling of the Bhutan Civil Service Examination 2021

Following the relaxation of the lockdown in Samtse and Phuentsholing, the Southern Covid-19 Task Force had facilitated stranded graduates to travel to Thimphu on the priority basis to appear for the Preliminary Examination (PE). Similarly, some graduates have recently completed their studies in India and are returning to the country. Considering the mandatory quarantine period to travel from the high risk place within the country or on return to the country from abroad, the Royal Civil Service Commission during its 100th Commission Meeting held on 27th July, 2021 has deliberated on the situation and decided to reschedule the BCSE 2021 to facilitate them to appear for the PE. The candidates are therefore requested to note the following changes in the examination schedule:
