

First Search Inside Yourself Program held on 11-12th March, 2019 for Executives in Civil Service

24 Executives in the Civil Service attended the first Search Inside Yourself Program held on 11-12th March, 2019. With collaboration from Search Inside Yourself Leadership Institute Ltd., this program was initiated to teach emotional intelligence skills to Bhutan's civil servant as part of their professional development, equipping them with social and emotional competencies that will help them adapt and be more resilient in this ever changing world. SIY brings a contemporary, science-based, practical and accessible approach by focusing on emotional intelligence skills as the outcome.
