## Foreword

---

In accordance with the provisions of The Constitution of The Kingdom of Bhutan, Civil Service Act of Bhutan 2010 and the procedures laid down in the Bhutan Civil Service Rules and Regulations 2023, the Royal Civil Service Commission administered the recruitment and selection of university graduates into the Civil Service annually through Bhutan Civil Service Examination (BCSE).

The Royal Civil Service Commission is pleased to publish its “14<sup>th</sup> Graduate Performance Report for the BCSE, 2025”.

This graduate performance report is published every year with the aim to serve as an advisory reference for parents, and prospective candidates to choose their educational pathway for a career into the Civil Service.

## 1. Preliminary Examination (PE)

---

The Preliminary Examination (PE) is the first phase of the selection process, which is conducted to shortlist candidates for the Main Examination (ME) to ensure the minimum standard required of a candidate is maintained for standardizing the entry of graduates into the civil service.

PE paper is common to all categories of graduates. PE consists of 100 objective-type questions for 100 marks which are designed to test Dzongkha and English communication skills, logic and analytical skills, problem-solving, data interpretation abilities, and the current affairs and general awareness of the candidates. The duration of the examination is 150 minutes.

PE levels out the differences and variations in subject difficulty levels, assessment schemes, and educational standards and quality and provides a level playing field for graduates to compete for the ME. It ensures that graduates meet the minimum core competency standards required of them for recruitment into the Civil Service.

The Preliminary Examination for the BCSE 2025 was conducted on August 3, 2025 in Thimphu and Mongar. A total of nine schools under the Thimphu Thromde and one school at Mongar were used as the examination center to accommodate 4397 graduates.

Of the 5095 graduates registered for the Preliminary Examination of BCSE 2025, 877 were absent during the conduct of the PE. A total of 698 graduates (451 B.Ed, 247 Medical (Clinical & Curative)) were exempted from the Preliminary Examination, who appeared only in the Main Examination (ME).

The cut-off percentage for the BCSE 2025 Preliminary Examination was set at 55% and 1726 graduates qualified for the Main Examination.
